

# URLAUB

## FÜR UNTERNEHMER

**Holiday. Travel. Time out. Free time. Wellness time. Me time.**

All terms we like to surround ourselves with. But with our busy schedules, there's never enough time, and that's especially true for the affluent target group of entrepreneurs and executives. 'Holidays for Executives', the regional magazine for holidays and leisure, has been catering to decision-makers in the regions of Upper Bavaria, Bavarian Swabia, and Franconia for nearly 20 years.

As an insert in selected Bavarian Chamber of Commerce magazines, it offers up to 48 pages of practical and appealing content in a pocket format.

On **05 June** and **05 November 2025**, "Holidays for Executives" presents the **LEISURE edition**, with a total circulation of **60,000 distributed copies each**.

It is published by vmm wirtschaftsverlag, a renowned player with over 20 years of experience in the field of tourism content marketing, the magazine is trusted by various holiday destinations, hotels, and tourism industry leaders.

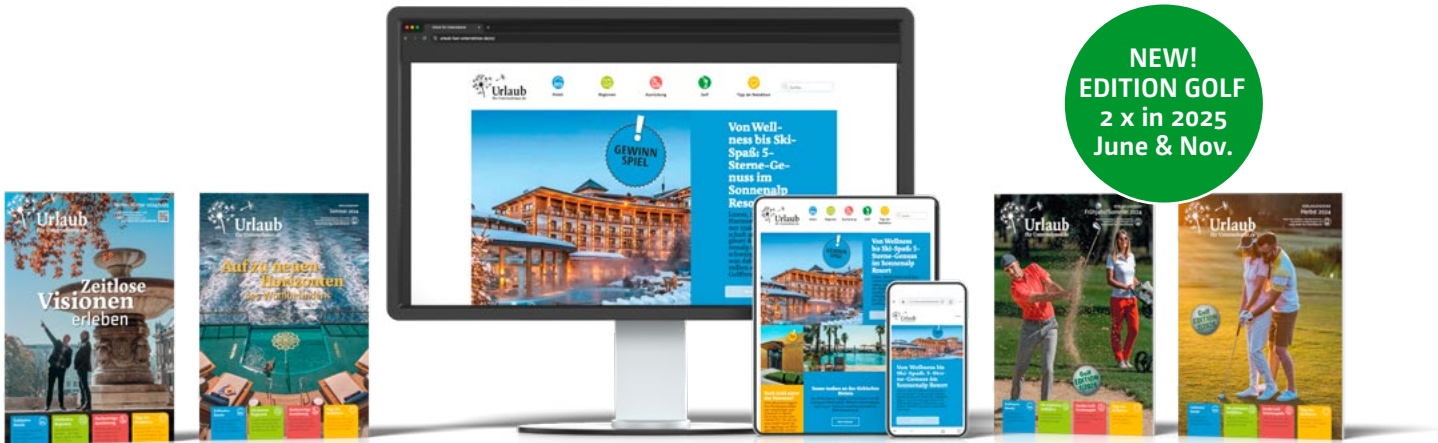

**Digital. Interactive. Smart Mag.**

'Holidays for Executives' is also available as a digital magazine in the form of a smart responsive web publication, accessible at

[www.urlaub-fuer-unternehmer.de](http://www.urlaub-fuer-unternehmer.de).

This cutting-edge publishing format, optimised for all devices, encourages readers/users to actively engage. It seamlessly blends interactive features with traditional reading habits, resulting in a more immersive and enduring reading experience. With our experienced team of editors and creatives, we are dedicated to creating a customised and impactful presence for you.

**Special editions commissioned by customers are also possible – we'll be happy to advise.**

**Carrier media/target audience**

IHK magazines, high-quality regional business magazines, reach 'entrepreneurs and executives' every month on a personalised level, without any wastage. The recipients are decision-makers who decide on investments in their companies and belong to the most affluent target group as individuals.
